Dedication

We the Junior Class of 1959, lovingly dedicate this annual to William au Buchon who died January 15, 1959. Instead of allowing him to graduate with his classmates this year, God initiated him into the joys of eternal life in an Eternal Commencement.

As a result of the inroads of a malignant bone cancer, "Bill's" right arm was amputated in March, 1958. With typical uncomplaining courage, he returned to school and took up the burden of re-learning skills which he had previously mastered. Despite his handicap, he took part in all the religious, athletic, and social events sponsored by St. Cecilia High School and maintained a cheerful outlook even during his many days of pain and suffering.

The resignation with which he met his death will be an inspiration to those of us who cherish his memory.

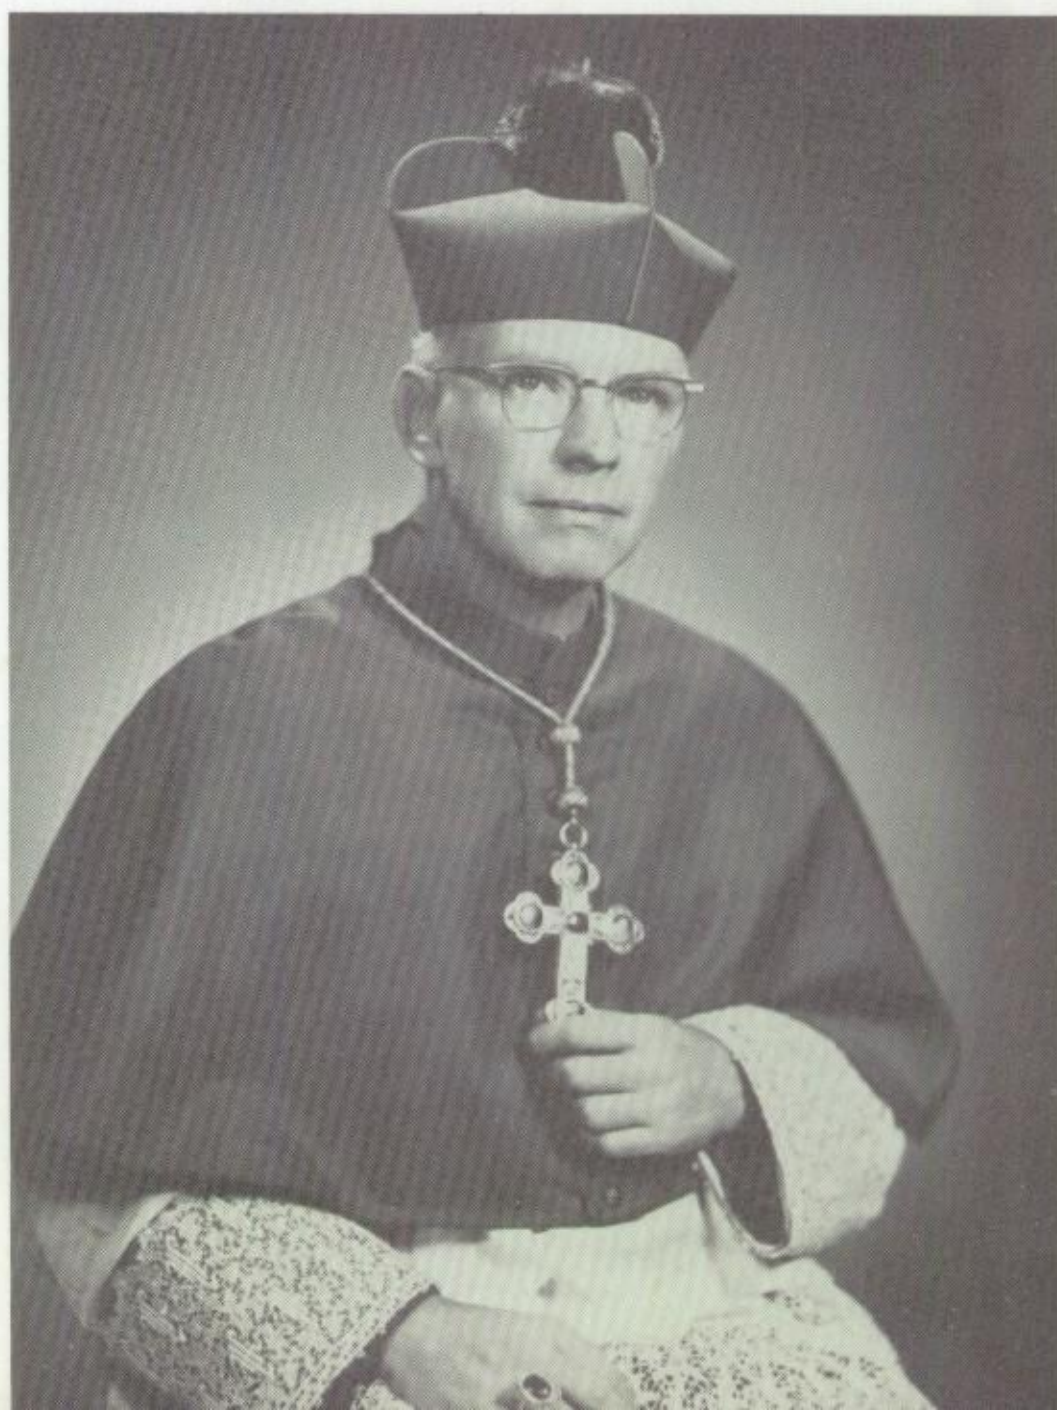

HIS HOLINESS
POPE JOHN XXIII

In the words of St. Paul, our new reigning Pontiff encourages us to: "Owe no man anything except to love one another; for he who loves his neighbor has fulfilled the law."

(Romans, 13, 8)

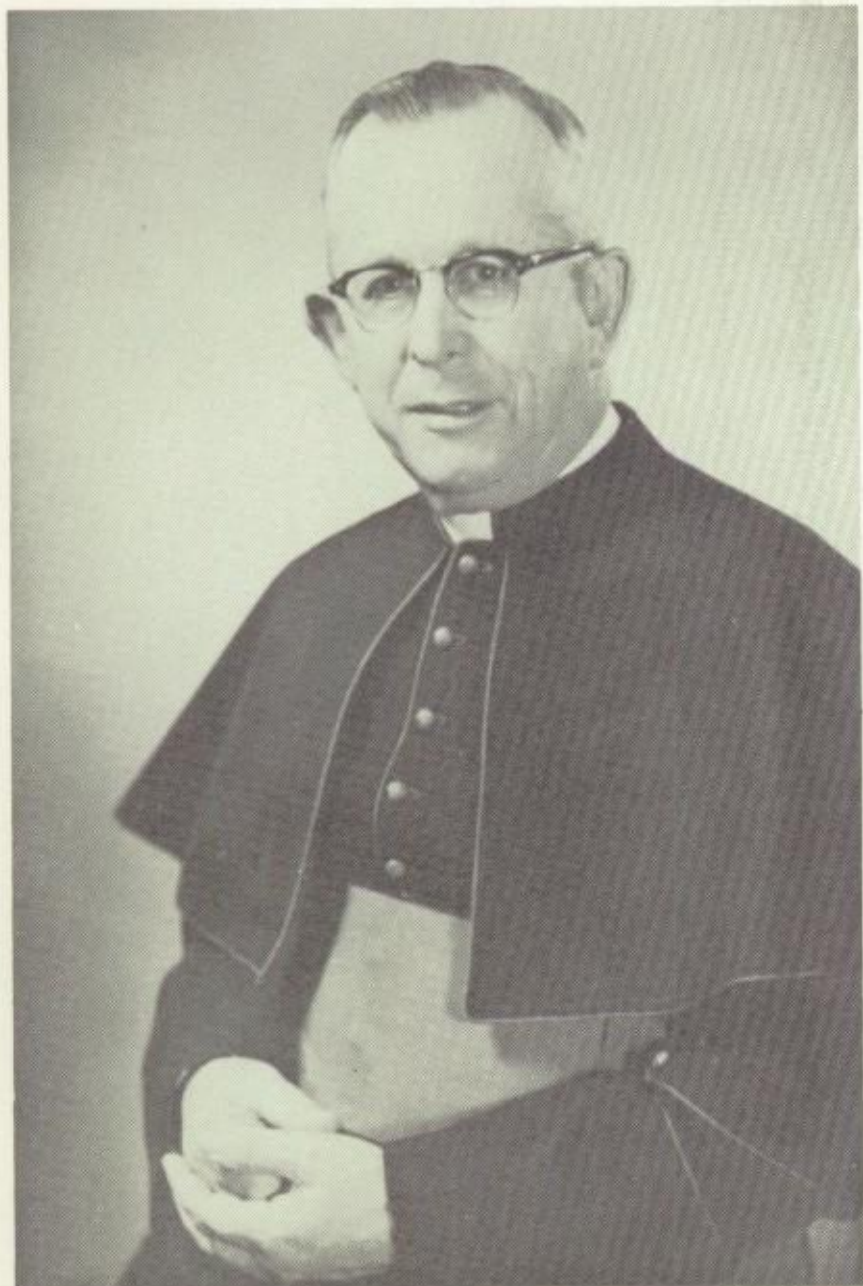

HIS EXCELLENCY
The Most Reverend
James V. Casey, D. D.
Bishop of Lincoln

We express our thanks and gratitude to our bishop whose achievements for the spiritual welfare of his flock have been unceasing.

OUR BELOVED PRIESTS

"Unless the Lord build the house,
they labor in vain that build it."

Rt. Rev. Monsignor
M. C. Grogan, V.F.
Pastor
and
Superintendent

HIS MESSAGE

Public opinion acclaims the outstanding or sensational accomplishment; yet, is it not a fact that doing little things well can be considered an outstanding achievement? Certainly, for the Catholic the "small things" can be made worthwhile when all are united in the prayer of the Morning Offering.

Graduates of 1959, do the "small things" well along the road of life by uniting them in one daily act of dedication to the Sacred Heart and, thus, you will accomplish the greatest of all achievements, the salvation of your immortal souls.

RETREAT—1958-1959

January 21 and 22

"Do all for the honor and glory of God, and you will never do anything wrong." These words spoken by Father Rawley Myers led the student body to a consideration of the possibilities for sanctity which lay in their future lives. In pointing out the many pitfalls that ensnare youthful souls, Father urged the pupils to take advantage of the two days of special grace in order that they might be better prepared to avoid any offense against Almighty God.

Thank you, Father, for the chance to do some spiritual overhauling.

FOOTBALL REVIEW

Although it was a year plagued by injuries and bad luck, the Blue Hawks missed tying, by one game, the school record for "Most Games Won in a Season." The final summary was "Wins—6, Losses—4." Highlights of the season were the clobbering of St. Bonaventure, 32-6; and Meisy's four-touchdown stampede against Sacred Heart. Paul Messing, our bruising tackler, received honorable mention for the all-state Class C team.

BASKETBALL ROUNDUP!

The 1958-59 basketball squad, coached by Jim Biglin, came through with another fine season. A lot of big things happened this year: the winning of the Catholic Tournament, loss of our first game in our own gym in three years, second straight year of going to State, and Bill Meisenbach's selection for All-State Class C. This was the third straight year a St. Cecilia player earned this coveted honor. Our biggest victories of the year were the beating of David City, St. Mary's in the Diocesan finals; the revenge against Harvard in the district finals; and the blasting of Alma in the playoff for the State berth. From the varsity team that finished the season only four will graduate.

St. Cecilia's Throttles Past Spalding Academy, 62-48

Blue Hawks Meet Alma in Finals Saturday Night

By ROBB MADGE

(Tribune Sports Editor)

Spalding Academy doesn't pay for its players in tournament games. The Hawks were neatly defeated by St. Cecilia's in the first round of the Class C playoffs, being defeated by the college grade team. Gene shot for in the Hawks' first round.

chose to play against the potent Spalding Academy. Actual play was for the Class C playoffs.

Against the Hawks, the Hawks were completely dead. Everything they did and their shooting was dead.

For a while it looked as if Shamrocks would make a battle of it, as they trailed the Hawks, 13-10, at the end of the first quarter. A fast break was the factor keeping the Shams in the game.

HAWKS EXPLODE

Jim Flakus brought Spalding Academy to within one point, 16-15, early in the second half, but then the Hawks exploded.

With Gilsdorf, Mick Brown and Ken Kramer bashing the nets the STC five soon captured an 11-point lead.

But this was hardly enough for the fighting Blue and White. Brown opened the

fourth quarter with a scoring barrage that set the St. Cecilia's nets on fire.

Brown snagged four straight buckets, all 15-feet or better from the net to give St. Cecilia's a 19-point margin. Mick was high for the night and the game, with 19 points.

BALANCE

All of the St. Cecilia's starters except Peder Aspen hit in the double figures. Bill Meisenbach had 13, points, Kramer 10, and Gilsdorf 12. Terry Tonkin, serve, put on a good show. STC with six points, which was a backhand shot from under the basket.

It was a beautiful driving layup, all from the rolleran.
